Find your ring size.

You'll need scissors and any bank card.

1 Print at 100%

Turn off "Fit to page".
A bank card should match this bar.

BANK CARD • 85.6 mm

2 Cut out the strip

Cut along the dashed line.
Cut the arrow end exactly on its line.

3 Wrap your finger

Snug around the base, numbers facing out.
Lay the arrow end on top.

4 Read your size

It's the number at the arrow's edge.
Between two? Pick the larger one.
